

Titan Trade Technologies (Pty Ltd Launches the Xhariep District Municipality Graduate Internship Programme- 22nd September 2008

Titan Trade Technologies (Pty) Ltd hereby announces the launch of the **Xhariep District Municipality Graduate Development Programme.**

The graduate development programme, launched in Trompsburg, Free State on the 22nd September 2008, is aimed at providing workplace experience to graduates/learners, to enable them to acquire employable skills, gain workplace exposure and improve their opportunities of securing permanent employment.

Titan Trade Technologies (Pty) Ltd has been appointed as lead service provider by the Xhariep District Municipality and its local municipalities (Letsemeng, Mohokare and Kopanong) to project-manage the above-mentioned programme as part of local government skills development interventions to reduce youth unemployment by enhancing employability, to capacitate local government and empower local communities.

The Xhariep Graduate Development Programme is a one-year internship programme that is funded by the Tourism Hospitality Sector Education & Training Authority (THETA) and is aimed at youth graduates between the ages of 18 – 35 years who have little or no working experience.

A total number of fifty two (52) graduates have been recruited, selected and given workplace experience across various functional areas ranging from Information Technology (IT), Finance / Commerce, Human Resource Management (HRM), Marketing & Communications and Local Economic Development (LED) with effect from 1st October 2008.
